

“SUMMER FRONTIERS” SYMPOSIUM 2012

Nijmegen Centre for Molecular Life Sciences

Nijmegen Institute for
Infection, Inflammation
& Immunity

Thursday 28th & Friday 29th June 2012

Nijmegen • The Netherlands

Training the innate immunity: immunological memory in innate host defense

Young investigator awards by Nature Immunology and Asics

■ Evolution and plant immunity

*Jos van der Meer, Max Cooper, Ofer Levy,
Harold vd Burg, Uwe Conrath*

■ Innate immune memory in invertebrates

*Bruno Lemaitre, David Schneider,
Carolina Barillas-Mury, Joachim Kurtz*

■ Recognition in mammalian innate immunity

Tom vd Poll, Gosse Adema, Ramnik Xavier

■ Memory of mammalian innate immunity: Mo/Mf

Alberto Mantovani, Mihai Netea, Bali Pulendran

■ Memory of mammalian innate immunity: NK cells

Eric Vivier, Lewis Lanier, Ulrich von Andrian

■ Reprogramming innate immunity during infection

David Kelvin, Gioacchino Natoli, Steven Kunkel

■ Masterclass for young researchers

■ Poster sessions
