

# IUIS Publications

## **1. To establish and maintain a working relationship with Frontiers in Immunology as the official journal of IUIS**

- approve new contract with Frontiers
- develop and support Research Topics in Frontiers
- work with Frontiers in terms of editorial policies, agreements, marketing, website etc.

## **2. To promote IUIS communication**

- newsletter
- website development and links
- communication to societies (e.g. email lists)

## **3. To support publications related to IUIS meetings**

- abstract handling
- reviews and editorials

1. Renewed contract between IUIS and Frontiers in Immunology
2. Established framework for IUIS sponsored Research Topics in Frontiers in Immunology 7 confirmed, 10 pending
3. Work with KIT to upgrade website (ongoing)

### Challenges of 2017

- Recruitment of editors for Research Topics
- Publication of conference proceedings
- Newsletter contributions

### Opportunities for 2018+

- Website upgrade
- Liaise with IUIS2019 scientific steering committee for publications and marketing
- Streamline Frontiers interactions
